O R D E R

On January 11, 1988, Wm. Dohrman, Inc., ("Dohrman") d/b/a the Falls Creek Wastewater Treatment Plant and the Thornhill Wastewater Treatment Plant and the Louisville and Jefferson County Metropolitan Sewer District ("MSD") filed a joint application requesting approval of the transfer of the Falls Creek Wastewater Treatment Plant and the Thornhill Wastewater Treatment Plant, which are owned by Dohrman, to MSD.

FINDINGS

The Commission, having considered the evidence of record and being advised, is of the opinion and finds that:

1. MSD is ready, willing and able to acquire the land and physical assets of Dohrman and provide adequate and reliable service to the customers served therein.
2. The owners of Dohrman are ready and willing to sell inasmuch as they wish to divest themselves of the ownership and operation of the sewage treatment system.

3. The quality of service to the customers of Dohrman will not suffer in that MSD has knowledge and experience in the operation and maintenance of sewage treatment facilities.

4. The negotiated purchase price of \$75,000 is reasonable.

IT IS THEREFORE ORDERED that the transfer of ownership of the Falls Creek Wastewater Treatment Plant and the Thornhill Wastewater Treatment Plan to the Louisville and Jefferson County Metropolitan Sewer District be and it hereby is approved.

Done at Frankfort, Kentucky, this 19th day of January, 1988.
